

The Missouri Music Educators Association

presents

The Missouri Tri-M Summit

September 13-14, 2016

Webster University

Tri-M[®] Music
HONOR SOCIETY

Welcome to the first Missouri Tri-M Summit!

We have a jam-packed schedule with a wealth of opportunities for you to experience quality sessions as well as the opportunity to meet and collaborate with music students from across the state. Not only will you listen to sessions that can help you with your current musical experiences, there are sessions designed to help you explore ways to continue involvement with music beyond high school. We hope that you enjoy all that this Summit has to offer and that you are able to return to your fellow classmates inspired and ready to share with them all the wonderful experiences you had. We look forward to the continued growth and improvement of Missouri's Tri-M chapters.

Best wishes for the school year!

Sarah Sacco, MMEA Tri-M Chair.

On behalf of the Missouri Music Educators Association, thank you for being part of this significant step for our organization. Tri-M is a program of the National Association for Music Education that focuses on creating future leaders in music education and music advocacy. We hope that focus shines brightly on the sessions being offered at the Summit this week and that each of you will take new information home with you.

Tri-M member growth in Missouri has been substantial over the last year. In 2015 our state had 870 Tri-M members. In 2016, that number grew to 1440! This rapid rise in membership tells us that there is an increased interest in music and the music profession. Whether it's in education, performance, healthcare, or business, music has a way of enriching all of our lives.

Thank you to Webster University for opening their doors to host this Tri-M Summit, and to all of our presenters who have prepared sessions to share with our students. Each of you contributed a part of your musical experience that will live with the rest of us forever.

Jeff Melsha
President, Missouri Music Educators Association
