**MMEA Invites You to Attend the First Annual...**

# Missouri Tri-M Summit!

**September 13th-14th, 2016 at Webster University**

Check-in will be from noon - 2:00pm on September 13th.

## What is the MO Tri-M Leadership Summit?

This conference is designed to bring together teachers and students from schools across Missouri- regardless of Tri-M Chapter status. We want students and teachers from current Tri-M chapters, as well as those from schools interested in bringing Tri-M to their school site, whether membership has lapsed or you are just beginning to understand what Tri-M can do for you and your school's music program!

It's time to start a broader conversation about Tri-M in Missouri! Our goal is to leave you with tangible ideas and materials to help you implement a successful Tri-M chapter at your school, exchange ideas and questions in regards to service projects in your community and so much more.

**Register Today!**

**Register online for the summit today. The cost is \$5.00 per registrant.**

Please direct any questions to: **Sarah Sacco**, MMEA Tri-M Chair at [ssacco@avabears.net](mailto:ssacco@avabears.net)
