- We understand this is an application for invitation only and does not commit MMEA or any of its officers to accept our ensemble for performance. It does, however, indicate our intent to appear, if invited.
- We understand that if we are selected to appear as a performing ensemble, we may also be used as a demonstration ensemble.
- We understand we must meet eligibility standards for participation under MSHSAA guidelines.

- We understand that *all* ensemble directors appearing on the conference must be pre-registered as an Active NafME/MMEA member for the conference.
 - *NOTE: Failure to attend the August meeting and/or failure to pre-register for the conference will result in the invitation to perform being withdrawn, and the ensemble not being allowed to perform.*
