_____ Bills to be paid:

- -None

We have created a google form for our VP's to enter in monies collected on the day of the event. This is setup by our president elect to autogenerate an invoice which immediately is emailed to the directors. The treasurer can then use this to follow up with districts within 30 days. This has cut down on outstanding bills!

- **Outstanding payments due:**
- There are four schools who have payments due for auditions or patches but all have been contacted and are in the process of payment. .
- **Other items:**
- -As of January 2023 we are opening a new checking account under the name of East Central Music Educators Association to match our name with the state of Missouri for tax purposes. We will be transitioning our current funds to this account in the coming months. -This will be my last Treasurer's Report. I will continue as Treasurer through the 2022-2023 school year and will help transition the next treasurer over the summer of 2023 to be ready to assume the duties for the 2023-2024 school year. I am updating the Treasurer's Duties document in Google Drive.
- -Thanks to everyone for assisting with receipts, collecting payments, competing forms and so many other things. Your help has been greatly appreciated!

Respectfully Submitted
Catie Sikes - President EC7MMEA
