

## Conference Manager Report

- Bid specs for the 2024/2025 conferences were distributed. Applications were submitted and will be offered to the board for consideration during today's meeting. All vendors will be notified of the results next week.
- The percussion provider for the 2024 conference will be KHS.
- Columbia School District will supply the risers and shells for the 2024 conference.
- Missouri State University will supply the work crew for the 2024 conference.
- Zee Express will supply the off-property shuttle service for the 2024 conference.
- Camdenton School District will supply additional help with equipment unloading.
- I will continue to assist as requested with conference scheduling, the performing ensemble director's meeting, and any other matters related to conference planning.

Respectfully submitted,

Brian Reeves
