CONVENTION

The MBA Summer Convention was held June 19-21 at Margaritaville. The majority of the convention was held in Windgate Hall (exhibit hall) and it worked very well.

MSHSAA

At the convention we had a woodwind and brass committee go through the literature recommendations that we submitted. Percussion recommendations were done by PAS. We are only adding to the list, pieces are not being removed. This is currently on a 3-year rotation.

ALL-STATE BAND

Colonel Schofield, Air Force Band Director, will be the director this year. He presented at our summer convention and was engaging, kind, thoughtful, and inspiring. Our band will love him. This year we are using set IV and will start the revision process. Prior to next year.

NEWSLETTER

We have started a monthly newsletter to keep band directors informed through the year, this month the articles will focus on mentoring needs and the MMEA Mentoring Conference.
