

### **SCMMEA Dist 9 Report 8/12/2023**

District 9 will have our annual summer meeting on Saturday Aug. 19th at Kickapoo High School. We will be having a meet and greet time during breakfast followed by sessions for band, choir, and elementary music. We had a few change of offices already due to people moving districts and other commitments. One of those changes was a new treasurer which caused us to catch some more paperwork issues that we have been working on getting fixed. We will have elections for the 2024-2026 term at our meeting on Aug. 19th.
